

Celebrating Jesus

[0:00] – Intro

[0:11] – V1

Everybody's gatherin round that Christmas tree,
We're laughin and talkin and singin so merrily
There's pumpkin pie and toys, happy girls and boys,
But what's the proper meaning, behind this Christmas joy?

[0:33] – C1

Oh celebrating Jesus, that's what Christmas means to me
It's the birthday of the One, who makes to blind to see
He purchased my salvation, way back on Calvary
I'm celebrating Jesus, that's what Christmas means to me

[0:55]

[1:01] – V2

Hear those sleigh bells jingling down the lane
Choirs singin' Christmas songs again
There's presents round the tree, one for you and me
But the greatest gift of all, is still a soul set free!

[1:23] – C2

And I'm celebrating Jesus, that's what Christmas means to me
It's the birthday of the One, who makes to blind to see
He purchased my salvation, way back on Calvary
I'm celebrating Jesus, that's what Christmas means to me

People celebrate the Spirit, Christmas brings to town
It's nothing new to Christians, cause we feel it all year round
All year round, we feel it all year round
